16th December 2015

Dear Parent/Carer,

On 24th and 25th November 2015, Tabor Academy had a monitoring visit by Her Majesty's Inspectors in accordance with its category of Special Measures. The inspectors monitoring visit judges that the school is taking effective action towards the removal of Special Measures; this reflects the progress that has been undertaken since the last monitoring visit in June 2015, and the work of the Loxford School Trust since Tabor transferred Trusts on 1st April 2015.

The report recognises the pace of change and state that "leaders have continued to drive forward improvements at a pace and have prioritised with remarkable clarity" this is extremely pleasing and we assure you that we will continue to make the improvements necessary to make your child's education rewarding and successful.

The inspectors also noted that "a climate in which good behaviour and learning are valued by the majority" is securing the foundations of the work at Tabor.

Please read the full report which will be available on the school website and the Ofsted homepage.

Can we take this opportunity to thank you for all your support and wish you a Merry Christmas and Happy New Year.

Have a restful and peaceful break.

Yours sincerely,

Mrs. E. Robinson
