8<sup>th</sup> June 2016

Dear Parent/Carer,

On 11<sup>th</sup> and 12<sup>th</sup> May 2016, Tabor Academy had a monitoring visit by Her Majesty's Inspectors in accordance with its category of Special Measures. The inspectors monitoring visit judges that the school is taking effective action towards the removal of Special Measures; this reflects the progress that has been undertaken since the last monitoring visit in November 2015, and the work of the Loxford School Trust since Tabor transferred Trusts on 1<sup>st</sup> April 2015.

The report recognises the pace of change and states that "Pupils share the optimism that is now clearly evident in the school" and "In the 12 months that they have been in charge, developed a powerful ethos and put in place many of the necessary processes that are leading to rapid improvements" this is extremely pleasing and we assure you that we will continue to make the improvements necessary to make your child's education rewarding and successful.

The inspectors also noted that "Behaviour is much improved" and "The school is now a calmer and happier place in which to learn".

They also noted that "Pupils are proud of their school in a way that was not evident previously".

Please read the full report which will be available on the school website and the Ofsted homepage.

Can we take this opportunity to thank you for all your support.

Yours sincerely,

Mrs. E. Robinson
