## Welcome to Edition 134

Dear Parents and Carers

I am delighted to congratulate the Year 7 students who received Bronze, Silver and Gold awards in assembly last week as well as the recent winners of the Jack Petchey Award. Their successes reflect the hard work that they have put in over the recent months.

The examination season has now arrived in earnest and I would like to wish all our students the very best of luck as they sit each of their examinations. Please tell your child that if they have concerns to speak to their teachers; I am sure they can allay their concerns and help them overcome any issues they may have. If we all work together, they will do well.

A final reminder regarding the consultation on the proposed changes to the school day and term dates – please do respond to these, the email address is [consultation@loxford.net](mailto:consultation@loxford.net)

Kind regards,

Elizabeth Robinson  
Headteacher

## Jack Petchey Award Winners – March & April 2015

Dawid Blaszczyk, 7HUH, has received the April Jack Petchey Award. He was nominated because of his impeccable manners and his willingness to give 100%

in all that he does. Although English is not his first language, his thirst for knowledge has enabled him to achieve excellent results in a very short time. He is a true role model. Congratulations Dawid.

Oliver Downs, 9AVE, is the March recipient of the Jack Petchey Award. He received this award because he is always giving up his own time to volunteer for school events such as Parents' Consultation Events and Open Days. His manner is impeccable and parents often comment on his helpfulness. Within lessons he works extremely hard and this showed when he became the first Year 9 student to receive the coveted silver merit badge. Well

done Oliver. Mrs Aves, Library Manager
