Dear Parent/Carer

Re: Tabor Academy Summer School

I am delighted to inform you that Tabor Academy has secured funding to run a Summer School for ten days over the holidays. This Summer School is funded by the government for identified students and your child is one of the few that has been invited to attend. The Summer School is **completely free** and will run for two separate weeks. Week 1 will start on **Monday 27th July and finish on the 31st July**. Week 2 will start on the **24th August and will finish on the 28th August**.

The days are designed to be both engaging and inspiring with the focus being on encouraging a sense of adventure and building confidence. The pupils will be able to take part in a number of interesting activities that will develop crucial learning skills and ensure pupils build good relationships with teachers and peers before arriving to school in September. The Summer School experience will allow pupils to participate in a range of activities which include cookery, art and design, story-telling, team building, cricket, reporting, boomerang making and much more! In addition, we are proposing the opportunity to take part in some enrichment visits such as a wild visit to Colchester Zoo, action and adventure at the Danbury Centre and even a Forest School training session!

Places on this Summer School are limited so please return the attached reply slip or alternatively email the school office with **F.A.O: Miss Carter - Summer School** in the Subject line, as soon as possible. Please be aware that your child will be required to attend every session during the two allocated weeks.

We believe that this Summer School will be an excellent opportunity for your child to engage in life at Tabor Academy and develop some amazing learning skills in readiness for September.

I do hope you take full advantage of this fabulous opportunity and look forward to your reply.

Yours sincerely

Miss J. Carter
KS3 Co-ordinator in English
Summer School coordinator
