Dear Parent/Carer,

Following the consultation earlier in the academic year, there will be changes to the school uniform for students joining Tabor Academy in September. The Local Governing Board agreed that:

- The new uniform will be compulsory for **new students starting in September 2016 only**. The majority of these new students will be joining in Year 7.
- The phased entry of the new uniform will continue until September 2020, by which time all students will have adopted the new uniform.
- **Existing uniform owned by students currently in Years 7-10 can continue to be used by these students.**
- Parents of existing students are free to outfit their children with the new uniform at any time if they so wish.
- The existing uniform supplier will continue to supply remaining stock until this is exhausted, for use by existing students. This is predominantly the purple tartan skirt.

The uniform for students currently attending Tabor Academy will continue to be available from Price and Buckland until further notice. The link to order from this supplier is available on the school website. The new uniform for pupils joining Tabor in September is available from School Uniform Direct. The link to this supplier is below:

Should you have any queries regarding uniform purchases for your son or daughter, please do not hesitate to contact the school office or the relevant Year Care Team.

Yours sincerely
